New Business:

1. Senior Center Proposal to be house in old Fire Barn.
 1. Zoning is correct. But, the change of use is occurring, they will need site plan review under Section 6-45
 2. Township has hired an engineer. They will need drawings and submit site plan. According to the Township, the building door needs to be expanded and a handicap ramp. This means site plan approval.
 3. Bert Gale and Daryl Anderson explained the process to representatives of the Township and the non-profit Senior Center.

Old Business:

1. 6-45 Reviewed and modified by board, with assistance of the Zoning Administrator and the Village Attorney.
2. Search for master plan contractors continues, per a report from the Planning Commission Chair.
3. Planning Commission provided a report to the Planning Commission on other related activity.
